Dear Miss Rowley:

Thank you for your letter of the Fifth. It is a real disappointment to me that I cannot be at Meadville for Commencement. Various complications have come in to prevent it.

I am hoping that the difficulties of the past two or three years will soon be wiped out. It has been a very difficult period for everyone in every profession, I take it, and particularly difficult for colleges.

I am counting now on being in Meadville in the Fall and then I hope I can see you for a good long talk.

I hope you are well, and I hope you are going to get a vacation this summer that will wipe out the memory of the difficulties of the last two or three years.

With all good wishes

Faithfully yours

Ida M. Tarbell

Letter from Miss Ida M. Tarbell.

The "troubles" referred to were financial due to cutting down of the library's meager budget due to the depression years.
