Edison - Story #1.

Sa Mateo Corporation - Nov 8'7 - The Twenty
Sixth of June 1887 - 2 Steel Plates of Edison
Electric Lamp - ~~[illegible]~~ Plan
Mr. Edison - Dear Sir - Stock - Stocking for Pond &
Pearl.

"We look this morning near-near with sad
anxiety" 2 go back to Mr. Patty ~~[illegible]~~ Sept.

Leo Miller pure Dog.

Inclosed one robot we call the Little Horse
~~an ancient~~ Mine produces the Big Horse is
Little from the point of view of all they paid.
The L. H. is an accept-small-insect they
wright & wings but we high always used it
used it - for surfeiter - this year I turned it
into a jumbly for myself - a little oil pressure
~~[illegible]~~ ~~[illegible]~~ electrically lit & 2 to bewildering
art. I am thinking of using a story of an ad-
venture with an elephant or perhaps an
adventure with a parlour stove of 100 years ago
The practical let incord are unmanageable but
it a great fight & in turning a beautiful time-
not a little of my dept they ~~[illegible]~~ fight.

I go back to Mr. Patty ~~[illegible]~~ & shall carry

Dear Mr Crane & — If you could only see the ~~Parkett family~~ pleasure your journal (landed) error of graphic print & ~~[illegible]~~ incomparable daily is giving me & my family & Thursday you would be repaid for your — ~~B.B.~~ labors. Sometime Sept: & thus ~~[illegible]~~ ~~[illegible]~~ there is the entirety when ~~my~~ & learned of the arrival of the package in N.Y. & as ~~[illegible]~~ ~~[illegible]~~ carbed that they be forwarded to B — just where my Robin & his wife are ~~[illegible]~~ spending the cold month. ~~[illegible]~~ But before I could get down the big skin came & was stunned in — 4 days without meat & sure without hardly water. Very exciting & amazingly beautiful but my sympathy too would there is a grand present waiting for you only 12 miles — Hermanville — & I'm sure enjoying the pride of your ranch as much as dignity in that wind curled. And I am glad more of the delay for it makes another point in my story of the adventures of being burned up
