Sherwood Eddy Will Speak Here Soon

Forceful Speaker Will Make Series of Addresses Next Week

Sherwood Eddy will make his second appearance at the college next week in a series of addresses to be given to the entire student body. Through the efforts of President Hixson and the Y. M. C. A., plans have been completed and Mr. Eddy will conduct a four-day series of meetiings. On Tuesday evening, March 7, Mr. Eddy will give his first address and on March 8th and 9th he will speak at the chapel services and again in the evening. On March 10th, he will deliver an address before a large mass meeting, to which both students and townspeople are invited.

Dr. Sherwood Eddy will be remembered by his dynamic address to the students in his first appearance here last fall. In this speech he placed before the students the situation which the younger generation would have to face. Dr. Eddy is a prominent figure on the American platform and appears before thousands of undergraduates of many different colleges and universities. As a student of the modern age with its temptations and pit falls he is unsurpassed. Dr. Eddy spent a great deal of time during the recent war among the soldiers in the encampmente, both in the United States and overseas. This permitted him to make a complete study of the moral situation and its causes. He has the facts well in mind and presents them clearly and forcibly. Dr. Eddy is very actively interested in the Y. M. C. A. and a great deal of his work is along this line. The local Y. M. C. A. is making extensive plans for the coming week and will give its hearty co-operation to the series.

This series of lectures is made possible through the Sturtevant Lectureship Foundation. This fund was established in honor of the late John C. Sturtevant and the income from it is to be used in providing lectures by eminent men.

NOTICE.

All students registered for the second semester must pay $1.25 in addition to the PUBLICATION FEE paid upon registering in order to secure a copy of the 1922 KALDRON. This sum represents the pro rata share on this book which new students would have paid had they been in college the first semester.

Any student who has left college at the end of the term will secure the KALDRON only upon the payment of the second semester fee of $2.75. This includes his subscription to The Campus and the Literary Monthly for the remainder of the year.

All subscriptions covered by the above are payable to the CIRCULATION MANAGER OF PUBLICATIONS.

Signed by

CHAIRMAN PUBLICATION BOARD.

COLLEGE CATALOGUE HAS MANY CHANGES

Many changes have appeared in the latest catalogue of the college, which has just been published. The point system of rating and the course of study requirements for major and minor work are the two features commanding considerable interest. An article on the new catalogue will be published in The Campus next week.

GLEE CLUB SINGS AT SHARON TONIGHT

MEN'S GLEE AND MUSICAL CLUBS WILL GIVE CONCERTS IN ERIE AND SHARON THIS WEEK.

The Men's Glee and Musical Clubs start on their second tour of the season today. The first concert will be given in Sharon tonight and followed by a concert in Erie Friday.

The clubs have been undergoing strenuous rehearsals during the past week getting in condition for the two concerts this week. The concerts are being given under the auspices of the Junior Classes of the Sharon and Erie High Schools.

A large number of Erie alumni have been written concerning the Erie concert, which takes place in the auditorium of the new Academy High School. The concert has been well advertised with posters distributed about the city and through the columns of the Erie papers, in which pictures of the organization appeared last Sunday.

During the latter part of the month concerts will be given in Youngstown, Conneaut and Ashtabula. The last trip of the season will be taken during April and will include concerts in a number of cities in the Pittsburgh district.

NATIONAL COMMITTEE REPORTS TO PRESIDENT

Representing 235 Men's and Women's Universities and Colleges Presented to President Harding at 1 o'Clock, February 20th.

In view of the fact that the United States has assumed an active part in the attempt to solve some of the problems involved in effecting international peace, the students of America have felt incumbent upon them the obligations of crystallizing their opinions concerning the problems that confronted the Conference for the Limitation of Armaments at Washington.

To stimulate interest in and discussion of these problems, the National Student Committee for the Limitation of Armaments was organized. Through co-operation between the students of 235 colleges and universities and this National Student Committee collegiate opinion has been roused and formulated by means of debates, mass meetings and publicity in the college press.

The following expressions of opinion are based on resolutions independently adopted by a large part of the colleges and universities.

1. It is believed that the series of treaties drawn by the Washington Conference should be expeditiously ratified in their entirety by the United States Senate because they are definite steps toward the limitation of armaments by international agreement and are indicative of a genuine tendency toward international understanding and co-operation; and because a failure to ratify these treaties would result in augmented distrust among nations.

2. In addition, the students of America commend the spirit which prompted Mr. Wilson to propose the League of Nations and the similar spirit which moved Mr. Harding to call the Washington Conference because it manifests a not distant possibility of an organization of nations adequately prepared peaceably to adjust international difficulties.

3. Furthermore, the students are of the opinion that the United States should participate in the Genoa or some similar conference on condition that the agenda include balancing the budgets of European countries, reduction of land armaments, breaking down of economic barriers and German reparations. It is further anticipated that such a conference will lead to the adoption of policies by which in the future international welfare will predominate over purely national interests in the conduct of international economic affairs.

"At the close of life the question is not, how much have you got, but how much have you given; not how much have you won, but how much have you done; not how much have you saved, but how much have you sacrificed: how much have you loved and served, not how much were you honered."

—Nathan C. Schaeffer.

Y. W. C. A. SECRETARY TELLS OF EXPERIENCES

PLANS ARE ANNOUNCED SUNDAY FOR COMING STUDENT INDUSTRIAL CONFERENCE

The Y. W. C. A. had an extremely unique and interesting program Sunday evening, when Miss Lucille Lippett, General Secretary of the Meadville Y. W. C. A. read extracts from her diary, written last summer, giving her experinces in a factory under the assumed name of Lizzie Long. Her statements concerning the working conditions of the factory girl were absolutely authentic, having been gleaned from personal touch.

Miss Lippett said that the life of the industrial girl is deadening, deplorable and consisted of a mere existence, plodding along toward no goal.

"The college girls have a great deal to give the industrial girl because of their higher education and broader outlook on life. The industrial girl also has something to give the college girl, and this is an experience gained from years of toil," stated Miss Lippett.

At the close of the meeting, Clara Weller, president, announced plans for the Y. W. C. A. Student Industrial Conference, which will be held at Allegheny during the week-end of March 4. Grove City, Westminster and Thiel Colleges and Edinboro and Slippery Rock Normal Schools will send delegates, as will the Y. W. C. A. Industrial Clubs of Warren, Erie and Meadville. The Misses Elouise Fink, Helen Shaeffer and Alice Grenelle have been elected to represent Allegheny at the business sessions of the conference. Miss Katherine L. Richards, student secretary, will be present and have charge of the conference.

CIVIC GROUP HONORS ALLEGHENY PROFESSORS

DR. SCHULTZ AND DR. COLEMAN ARE CHOSEN TO BOARD OF DIRECTORS OF KIWANIS CLUB.

Dr. Coleman and Dr. Schultz have been honored by appointment to the temporary board of directors of the newly formed Meadville branch of the Kiwanis Club International.

After an address on last Friday by C. L. Thayer, Jr., of Chicago, field secretary of the national organization, before a group of representative men of Meadville, the temporary organization was effected, with W. I. Bates, '96, president; Judge John J. Henderson, '62, vice president, and Dr. J. R. Schultz, secretary-treasurer. Others on the board of directors include Wallace A. Wilson, '96; E. J. Werle, J. R. Gill, Dr. W. C. Dunn, Dr. H. C. Winslow and M. A. Hirsch.

The growth of the Kiwanis Club is one of the outstanding features of civic improvement today. It was founded seven years ago, at Detroit. It now numbers in its membership over 60,000 men of the United States and Canada. There are 600 local branches. To the non-sectarian basis upon which it is operative rests a great deal of its effectiveness in meeting the ordinary jealousies of the business and professional men of the world. The Club also aids in bringing out, and in developing men to be leaders, teaching them that a responsibility for his city, state and nation rests with each citizen.

Meadville is the last of the larger cities in this neighborhood to accept the proposition. Erie, Jamestown, Franklin, Oil City, Sharon, New Castle, Youngstown and Warren have all adopted the system and the club has been singularly successful in adjusting ever-present civic difficulties.

PROMINENT AKRON PASTOR RESIGNS TO ACCEPT PULPIT IN THE WEST.

Rev. John W. G. Fast, pastor of the First Methodist church, of Akron, since 1917, has resigned to accept the pastorate of the First Methodist church of Omaha, Neb., according to word received yesterday. He will be remembered by Allegheny students as one of the college preachers last year. Dr. Fast is a graduate of Mt. Union College, Western Theological Seminary and the University of Chicago.

HIGH SCHOOL FIVES WILL PLAY HERE SOON

ELIMINATION OF CONTESTANTS FOR REPRESENTATION HERE IS BECOMING VERY KEEN—FOUR CITIES WILL SEND TEAMS.

Championship teams representing various cities will meet in the second annual Tri - State Inter - City basketball tournament that will be held in the gymnasium on March 17 and 18. These teams will represent Ohio, New York and Pennsylvania.

The various cities that will be entered in the meet are Buffalo, Cleveland, Pittsburgh and Erie. Each quintette is a champion, and is picked by the city. Great competition is shown each year between the various city teams to decide which one shall come to Allegheny.

All four teams will play on Friday, March 17. Two of the teams will be eliminated by this process so that the finals will be played on Saturday, March 18.

At the final game of the tournament of last year, intense interest and enthusiasm was shown. Without doubt, even greater enthusiasm will be shown this year. The pick of the cities will play the finest brand of interscholastic ball.

With the end of the present season drawing near, it is very likely that this meet will be one of the greatest basketball events of western Pennsylvania. The dope at present is that Central High of Erie will be a representative from that city. In Buffalo, the Hutchinson High School appears to have the edge on Lafayette and others. East Tech and West Tech High Schools are strong contenders for the championship in Cleveland, while in Pittsburgh South High has already won the city title and is in the lineup for the W. P. I. A. L. championship. All indications point to the best brand of basketball ever witnessed by Alleghenians, due to the intense rivalry among the several city schools. That it will rank well with collegiate ball has been assured by those who have followed these teams during the season.

DR. BOURNE SPEAKS AT CLUB BANQUET

HISTORY AND POLITICAL SCIENCE CLUB ELECTS FOUR STUDENTS INTO MEMBERSHIP.

A banquet of the History and Political Science Club, at which Dr. Henry E. Bourne of Western Reserve University was the principal speaker was held in Cochran Hall on February 21. Sarah Coulter, Mary Henderson, Melville Jones and Kenneth Smith were taken into membership at this time.

The speaker discussed "China's Concessions to Foreign Powers," dealing with the subject in a comprehensive manner. The theme of his address was that China, in granting concessions and giving aid to a great many other countries, has held back her own progress and placed herself in a difficult position, from which it will take years to free herself.

COLLEGE BULLETIN MAKES APPEARANCE

INTERESTING BOOKLET OF ALUMNI DATA COMPILED BY MISS EDITH ROWLEY

The January College Bulletin, devoted to the interests of the alumni, has reached the friends of the college during the past week. It is perhaps the most interesting Bulletin published this year.

The principal feature is the large list of notes of the different activities of various alumni. An Alumni Symposium of letters from A. W. Thompson, Frederick S. Breed, Louis W. Sherwin and C. W. Ross is a new section. Dr. Elliott has written a letter describing the recent improvements to the Library.

A statement of the Constitution, By-Laws and Officers of the Association is one of the valuable parts. The remainder of the issue is taken up with notes on different college activities.

Teacher's Certificate Requirements Altered

Pa. Council of Education Approves of Practice Teaching for Prospective Instructors

New standard qualifications for teaching certificates issued by colleges have been formally approved by the State Council of Education and will go into effect with the graduation of the present Senior class. As will be seen below, the important change is the fact that, henceforth, practice teaching to the extent of six semester hours will be required of each candidate for a certificate. Educational Psychology is a prerequisite, along with nine other semester hours of pedagogy.

Under the "Classification and Certification of Teachers," as issued by the State Council on December 19, is the following:

V. College.

I Provisional—This certificate entitles the holder to teach for three years the subjects prescribed for a public high school of the third class or to teach in any public school of the Commonwealth, the subjects indicated on its face, and to teach in the elementary field where the applicant is the holder of a certificate for teaching in this field or has completed an approved curriculum in a school of education in preparation for teaching in such field.

The applicant for this certificate must be a graduate of an approved college or university and must have successfully completed at least eighteen semester hours of work of college grade in Education, distributed as follows:

Introduction of Teaching, three semester hours.

Educational Psychology, Three semester hours.

Electives in Education, three semester hours.

Practice Teaching in the appropriate field, six semester hours.

The practice teaching requirement may be met by one hour a day of observation and practice teaching with one hour a week of conference in connection therewith for one-half year.

Three years of successful teaching experience in the field in which certification is sought, together with a teaching rating of "middle" or better, may be accepted as the equivalent of the practice teaching requirement.

The holder of this certificate will be certified to teach each subject in which not less than twelve semester hours have been completed.

The scope of this certificate will be extended to cover a field of learning when the distribution of the applicant's credentials so warrant.

This certificate may be renewed once on a rating of "low" or better plus six additional semester hours of work of college grade, one-half of which must be professional.

Graduates of approved colleges and universities in 1922 which have not for that year established a practice teaching course may be granted a provisional college certificate either on the basis herein prescribed or on the basis of two hundred hours of pedagogical studies as formerly prescribed. In the event of the latter basis being chosen for the issue of the provisional college certificate, twelve additional semester hours selected from the courses prescribed herein shall be satisfactorily completed before a permanent college certificate is issued.

II. Permanent—The issue of this certificate is dependent upon the possession of the qualifications required for the college provisional certificate and in addition thereto three years of successful teaching experience in the appropriate field and the satisfactory completion of six semester hours of additional work of at least collegiate grade, one-half of which should be professional and the remainder related to the subjects or subject fields in which the candidate is certified to teach, together with a teaching rating of "middle" or better.

The certificate entitles the holder to teach for life the subjects prescribed for a public high school of the third class, or to teach in any public high school of the Commonwealth the subjects indicated on its face.

WHO WAS JOHN HANCOCK?

WOOSTER TECH. STUDENT WINS COLLEGE COMPETITION ON EDISON'S QUESTION

New Englander Knows John Hancock Best.

Boston, Mass.—College undergraduates and alumni were given the opportunity of competing for a prize of $100 offered by the John Hancock Life Insurance Company. This prize has been awarded to Leon V. Quigley, a student at Worcester Polytechnic Institute.

One of the questions asked by Thomas A. Edison in his first and most famous questionnaire was "Who was John Hancock?" At least one answer stated that John Hancock was president of a life insurance company. So an officer of the John Hancock Life Insurance Company of Boston conceived the idea of putting the question before college men and offering a prize for the best answer. Due to the unexpectedly large number of competitors, considerable difficulty was experienced in deciding on the winner, as the competition closed on Nov. 15th, and the award has just been made.

Mr. Quigley is 20 years old, lives in Worcester, and is a member of the Junior class and a student in the Chemical Engineering Department.

MISS SPALDING ATTENDS NATIONAL CONVENTION OF DEANS OF WOMEN.

Miss Spalding has returned from a national convention of the deans of women held in Chicago from Feb. 22 to 25. The meetings were held with the view of acquainting the visiting deans with the different phases of college work which they must supervise.

The time was well filled with meetings, teas, luncheons and dinners, planned to give the visitors the greatest possible benefit. Every phase of college life was discussed and various national leaders gave lectures on Y. W. C. A. work, vocational training, pan-hellenics, recreation, sororities, social functions, and dormitory life.

LOCAL CHURCH ENTERTAINS STUDENTS

ENJOYABLE PARTY IS GIVEN BY MEMBERS OF EPISCOPAL CHURCH FOR ALLEGHENIANS

One of the most enjoyable social events of the year took place last Monday evening at the Episcopal Parish, when members of the church entertained a large number of college men and women at an informal party in the Parish House.

The evening was spent in dancing and games, after which refreshments were served. That this novel form of entertainment met with the students' hearty approval was evidenced by many who expressed themselves as having had the best get-together of the year where everyone was an Alleghenian. The party was chaperoned by the ladies of the social committee, who looked after the co-eds. Many of the girls attented enmasse as did the boys, but this fact made little difference, for all were acquainted and the journey up the hill was accomplished two by two.

A. W. THOMPSON DONATES BOOKS TO THE LIBRARY

Arthur W. Thompson, '97, President of the Board of Trustees of the college, has recenty presented the library several sets of books covering the field of engineering and reports of engineering commissions. Prof. Skelton states that the books are an extremely valuable addition to the engineering literature in the department. Among the books received were several volumes of "The Transactions of the American Society of Civil Engineers" and many engineering manuals.

EDITORIAL

Patronize our advertisers who make The Campus possible. College publication advertising has long been regarded as charity by business men. Advertising pays in the local papers and should also pay in our publications. The ads have been arranged in a conspicuous manner for the benefit of the readers.

A

Saturday has not only become the market day for the faculty, but for the Seniors as well.

A

The Campus welcomes the coming of Sherwood Eddy. Few men in a college generation havee been received with the intensity of interest and appreciation that this real servant to college students has commanded. The subject of his address is not known, but of one thing we are certain—He will have a REAL MESSAGE.

A

Recently there appeared in an exchange coming to the college an article in which reference was made to the courteous way in which Allegheny College treated visiting teams. Mention was made of the fact that during a recent basketball game the first cheer given by Allegheny was for the opposing team. From this it would seem that Allegheny has something upon which to plume herself. Perhaps in this instance we may take credit. But in several games that have been played since that time this procedure was not followed. On the contrary, the first cheer has always been for the home team.

There is no better way to advertise the college than through treatment of the teams that come here to compete with Allegheny. And if a slight bit of courtesy such as was extended to that team can win their approval, it would seem that it is not asking too much to have this practice continued. It is customary to allow the visiting team to reach the floor first; then it follows naturally that the first cheer should be for them, if for no other reason.

College spirit is evidenced in more ways than in the cheering. Loyalty is the first essential of true spirit. We believe that all Alleghenians are loyal first and last. But in the rush of college life many things are forgotten that should be practiced at all times. It is no more disloyal to bet against the team than it is to stay away from a game when the team needs the support of every student. Allegheny has an enviable reputation builded by the students of former days. The reputation of the college is made or lost by the way the students conduct themselves when in college and when away. Of the two, the latter probably advertises the college to the greater extent. A loyal student will have enough college spirit to keep him from doing anything that would injure the reputation of the college. An enthusiatic student is one of the greatest assets any college can have. Boosters deserve the admiration of all.

FACULTY NOTES

A dinner party in honor of Guy Maier and Lee Pattison was given by Dr. Church last Tuesday evening.

Dr. Elliott is now at Pittsburgh attending the meetings of the Erie-Pittsburgh Conference of the Methodist Episcopal church.

Miss Fannie Mitchell was in Pittsburgh last week attending a demonstration of physical culture.

Quite a number of the faculty members have been ill during the past week. Professors Church and Akers have just recovered and are meeting classes again. Mrs. Akers was also taken ill during the week. Dr. Swartley was taken ill Monday.

President Hixson has been confined to his home considerably since a siege of the grip.

Prof. Henke's brother, Rev. Arthur W. Henke, of New Hampton, Iowa, is coming to Meadville next Tuesday to deliver a series of lectures and hold evangelistic services at the Stone M. E. church. Arrangements are being made to have him speak at Chapel during his stay.

Word from Mrs. Karl A. Miller has been received that she is now convalescing, after an operation for appendicitis. Mrs. Miller is in the hospital at Titusville, and is recovering very nicely.

Dr. J. R. Schultz recently received twenty-five volumes of literature from England. In this shipment were many books by the old English masters, which are exceptionally valuable owing to the original editions of the volumes. Second-hand editions of Gay's Poems, Whistler's "Gentle Art of Making Enemies" and others are among the lot received, which will be placed in the library for the Department of English Literature.

Prof. and Mrs. Russo will soon move into the new home constructed at Prospect and Highland avenues, which overlooks Montgomery Field.

Dean Spalding has received an announcement from Miss Alice Bidwell, formerly an instructor in English here, that she is soon to become the bride of Prof. Thomas G. Werenberg Assistant Professor of Romance Languages at Butler University, Indianapolis, Ind. The Campus and many friends wish Miss Bidwell congratulations from Allegheny.

ALUMNI NOTES.

Elmer Hickman, '15, who took the part of Timothy Alden in Allegheny's Centennial, is now starring in "Bulldog Drummond," a play which has had an unusual success this season on Broadway.

Mother—Elsie, why are you shouting in that horrible fashion? Why can't you be quiet like Willie?

Elsie—He's got to be quiet the way we're playing. He's papa coming home late, and I'm you.—Siren.

Professor X.—Who's there?

Burglar—Lie still and keep quiet I'm looking for money.

Professor X.—Wait and I'll get up and look with you.—Orange Peel.

Read 'Em and Weep

DO YOU KNOW ANY?

The college has an artful few as bureaus of advice, who catalogue the things we do as good or bad or nice, and sleuthfully they watch us to find out if we will do them twice. They bookkeep in a mental book and give each one in school a page and on it I have but to look perchance I should forget my age; they keep informed by hook and crook unprompted by the slightest wake. They know about my native town; they have its record on their shelf; with no reward or no renown, they work without a cent of pelf and on my page they've written down more than I know about myself. Down in their books in scarlet ink they schedule every college date, and they can tell me in a wink just who is knocking at the gate; quite willingly they help me think on matters with or without weight. If by some chance I should forget just what I did on Friday night, no need for me to think or fret—they have it down in black and white, and for their time I owe no debt, for with a smile they make it right.

They know each night who's at the show and how and when they made the date; with whom the parties used to go, and if they stay out very late, and when the game is slow their ingenuity is great. They keep on file each college case and just how far each case has gone; they take the fortune-teller's place and even urge the parties on; when they have read the blankest face they have their own conclusions drawn. They've catalogued in magic way the acts of enemies and friends; they keep a record every day of fortune's little bows and bends; the energy they throw away has neither width nor depth nor ends. If in the daily college class they learned a most efficient way to catalogue the college mass for every minute of the day, this busy few would always pass with twenty-four straight hours of A.

"Marriage announcements are like dice—'You read 'em and Weep.'"—Selected.

First Row—The professor made a cutting remark to me.

Rear—What was it?

First Row—He said he had marked me absent.—Exchange.

Six engagements were announced in the Alumni Quarterly, which has recently made its appearance. Space for the "Who Will Be Next" column will soon be at a premium ere Commencement time.

Patient—Doctor, what'll I take to cure my kleptomania?

Doctor (after deep thought)—Don't take anything and you'll be cured.

The Joke Editor of the Literary Monthly is leading a lonesome life.

THE EIGHTH WONDER.

'22—Speaking of Einstein makes me think—

'24—Really, isn't it wonderful what science will do.

Question 9,879,943—

Would parties on the hill similar to the one given Monday evening be an influence for good or evil?

They would be evil for the reason that students would put frivolity ahead of the classics, such as a study of Ben Hur on Saturday night.

"I saw a negro funeral today, and behind the hearse walked a number of mourners with pails."

"Why the pails."

"Going blackburying.—Bearskin.

Lady—I would like Lamb's "Dissertation on Roast Pig."

Dumb Clerk—Wrong store, lady. Hash house is next door.

PROF. HAMMETT TALKS TO COMMERCIAL STUDENTS

EXPLAINS HOW ENEAGIES OF BODY SHOULD BE CARED FOR

Prof. Hammett gave an inspiring and instructive talk to the students of the Meadville Business College Monday morning on the methods to be used in conserving the energies of the body.

He compared the human frame to various engines and machines and then explained how the organs mechanically functioned. The body is the greatest machine created and man must conserve his energy by caring for it. He emphasized the necessity for taking systematic exercises, for taking regular hours for sleep and meals, pointing out the serious side in right living by conservation. His talk was well received by members of the faculty and student body.

Alumni

Daniel Robinson, '21, is studying law at the University of Pittsburgh.

John D. Regester, '20, is third, and Edwin P. Booth, '20, is in the first ten, in the graduating class this year at Boston University School of Theology.

Helen G. Murray, '10, who spent the holidays in Kane, with her parents, has returned to Mexico City, where she has charge of a Bible School.

Louis A. Wells, '14, secretary and treasurer of the American Construction Company, of Cleveland, has invented a breakwater which has become popular among the lake shore owners and which has yielded the stockholders of his company ample dividends in an exceedingly poor year.

Rose M. Kauffman, head of the American Y. W. C. A. in Genoa, Italy, spent a week in Florence recently. In recent months she has visited Czecho-Slovakia, as well as a number of cities in Italy. Her efforts to raise an endowment last year were successful and the plan of placing the Foyer for girls on a financial basis, so that it may be taken over by the Italians, was part of her work. Miss Kauffman has sailed for the United States and will resume her teaching position in the Philadelphia Girls' High School.

Karl A. Miller, '08, made a trip to Ohio recently, visiting Toledo, Cleveland, Columbus and Delaware. While in Delaware he saw Prof. and Mrs. Howard P. Stemple, and Prof. Hubbart, both former teachers of History at Allegheny. With them was Daniel H. G. Matthaei, former instructor in the German Department of Allegheny, now a teacher of English in the Woodward Technical High School of Toledo, and coach of basketball teams in the city. Mr. Matthaei is an official referee for that part of the state.

Dr. B. W. Van Riper, '05, is western manager of the Temple Tours of Boston. Last summer Dr. Van Riper conducted a touring party through Europe and this year he will take a party through the Orient.

Miss Christine Burkhalder, Cornell, and Mr. Clair Sweetland, '14, were married at South Dayton, N. Y., Dec. 27, 1921. They now reside at 923 Lake street, Elmira, N. Y. Mr. Sweetland is instructor in Chemistry in the High School there.

Miss Georgia Roberts, who is now teaching in Richmond, Virginia, resides at 1506 Grove avenue, that city.

Homer E. Lewis, '04, for the past five years has been a pastor of the Emsworth Presbyterian church of Emsworth, Pa.

BOWLING.

Three matches were rolled in the bowling tournament during the past week. The Phi Kappa Psi bowlers managed to take all three games of the match from the Alpha Chi Rho representatives, thereby dropping the latter one place in the standing. Delta Tau Delta was able to secure but one game out of three from the climbing Sigma Alpha Epsilon crew. Last but not least the Faculty suffered two reverses at the hands of the Phi Gams, who are now contending with the Alden Hall rollers for the cellar championship.

Summary:

STANDING OF THE TEAMS.

	W.	L.	Pct.

According to the grid card for next season as announced by the Geneva College authorities, Geneva will appear on Montgomery Field Thanksgiving Day.

Grove City Scores Second Win Over Allegheny Five

21-18 Was the Final Score of the Fastest Game This Season

Spectacular shooting and unsurpassed team work featured the annual Grove City clash here last Thursday night. The final score read Grove City 21, Allegheny 18. At half time the Crimson had a lead of four points, the score being 10-6. The second period opened with a rush and within two minutes the score was 10-9 in favor of the downstaters. Stephanian then counted, after receiving a swift pass down the floor. Graham made the first field goal of the evening for the locals, and from then on the tense situation increased with Grove City in the lead by a single point.

A capacity crowd, which commenced to gather as soon as the doors were opened, taxed the gymnasium, and even standing room was at a premium.

Needless to say, the Blue and Gold courtmen were out to avenge their recent defeat at Grove City and the close guarding in the initial period was so extraordinary that not a goal from the field was scored by either team until after a lapse of eighteen minutes, when Shorts slipped through and scored from beneath the basket. Both teams were off form in shooting during the first half, many easy shots being missed from within the foul circle. Ten fouls were called on each team during the first period, while in the second period a total of eleven offenses were called on the Crimson passers against seven on Allegheny. Foster accounted for 13 points out of 17 trys from the foul line, and Kofford was successful in 14 out of 21 attempts. Exceedingly rough tactics were employed by both teams in the second period.

Clever passing and unusually fast floorwork made the game the best that has been seen on a local court this season. Time after time the ball would be lost as the man tried to nail a return pass under the basket. So close was the guarding that the members of both teams resorted to long throws, most of which went wild. Smith made the best shot of the evening in the second half, when he swished one through from midfloor. Shorts played an excellent floor game for the visitors and managed to get two goals from the field. For Allegheny, Kofford and Parker were the stellar performers. Kofford played a fine floor game, but had hard luck in his shooting, while Parker played Smith to a standstill, the Crimson mainstay being able to secure but one goal from the field.

The spectators were inclined to hiss the work of Cal Bolster. However, his work was very commendable in view of the intense rivalry between the two colleges.

The lineup and summary follow:

ALLEGHENY, 18.		GROVE CITY, 21.
	R. F.	
Kofford (capt.)		Smith
	L. F.	
Miller		Foster
	C.	
Wise		Jones
	R. G.	
Parker		(Capt.) Stephanian
	L. G.	
Graham		Shorts

Substitutions: Allegheny—Parent for Miller, Miller for Parent, Parent for Kofford, Kofford for Graham. Grove City—None.

Field goals: Allegheny—Miller 1, Graham 1. Grove City—Shorts 2, Smith 1, Stephanian 1.

Foul goals: Allegheny—Kofford, 14 out of 21; Grove City—13 out of 17.

Timekeeper—R. E. Lee.

Referee—Cal Bolster, Pittsburgh.

Time of halves—20 minutes.

BLUE AND GOLD WILL PLAY NEW YORKERS

NIAGARA, COLGATE AND HOBART WILL BE MET ON THIS WEEK'S TRIP.

Followers of the Blue and Gold are anxiously awaiting the outcome of the three games which comprise the eastern trip. Leaving here on Tuesday morning for Niagara Falls, where the Niagara University quintet will be met to-night, the team will journey to Hobart for a clash with the varsity five of that college on Thursday night. With one day's rest the fast Colgate passers will be met at Hamilton on Saturday evening.

Colgate has an unusually strong combination this season and recently demonstrated their strength by defeating Syracuse University 36 to 22 at Hamilton. Hobart also has a veteran aggregation this year and is bound to make the Blue and Gold hustle to win. Niagara has not appeared in any intercollegiate contests in this section, but some idea of their strength may be gleaned from the fact that the St. Mary's Cadets of Erie defeated them by only 10 points.

Taken as a whole, this is one of the most strenuous trips ever taken by an Allegheny team, although it will not count in the Tri-State race.

West Virginia meets W. and J. next Saturday night at Morgantown. This clash will determine the winner of the Tri-State title.

BOWLING SCHEDULE.

Thursday, March 2.

Alpha Chi Rho vs. Alpha Chi Sigma at 4 o'clock p. m.

Sigma Alpha Epsilon vs. Phi Delta Theta at 7 p. m.

Friday, March 3.

Play off all postponed matches.

Saturday, March 4.

Faculty vs. Beta Upsilon at 2:30 p. m.

Allegheny Club vs. Phi Gamma Delta at 4 p. m.

Monday, March 6.

Alpha Chi Rho vs. Sigma Alpha Epsilon at 4 p. m.

Tuesday, March 7.

Phi Gamma Delta vs. Delta Tau Delta at 4 p. m.

Wednesday, March 8.

Phi Beta Phi vs. Phi Kappa Psi at 4 p. m.

That all prospective lawyers shall take two years of collegiate work prior to entrance in a law school was recommended almost unanimously by the American Bar Association on Feb. 24. The action of the Association was such as to place the delegates under moral obligation to have this standard set in the state laws. Among those who favored the plan were Elihu Root, W. G. McAdoo, Attorney General Dougherty and George Wharton Pepper.

Word has been received of the death of R. R. Ross, '84, on February 27, at Kansas City, Mo. Mr. Ross resided in New York City and had held a prominent position with the Dodd, Meade Company, Publishers.

STUDENTS INSTALL RADIO PHONE

Did you know that a Radiophone apparatus has been installed on Allegheny's campus? Never the less it is quite true. Last night a concert given in Albany could be plainly heard here in Meadville. Several students who have had considerable experience are operating it with great success.

FRATERNITY NOTES.

(Continued from page 3)

with relatives in Franklin.

Sarah Wagner returned Tuesday evening, after spending several days at her home in Braddock.

TALLAGEWE.

Tallagewe announces the initiation, on February 25, of Bessie Hummer, Elizabeth White, and Dorothy Reed. Mrs. I. R. Beiler and the following alumnae were present: Ethel Bacon, Edith White, Ethel Klookner Ewing, Marguerite Terpening Smith, Harriet Rogers, and Ruth Dodge Byham.

The initiation dinner was held at the Lafayette Hotel Sunday, at which alumnae and members were present.
