Miss Ida M. Tarbell,
132 East Nineteenth St.,
New York

Dear Miss Tarbell:

I have just received your recent letter of inquiry concerning you part in the program at our summer session. It was our original intention to have you meet two groups of people in conference--one group of teachers and the other group of community workers in the city of Greensboro. However, our plans have been changed. I have invited Mrs. Eugene R. Reilley, State Chairman of the Woman's Committee of National Defense, to have her executive committee and her county chairmen in North Carolina to meet with you in two conferences at the time you are here. I have not yet heard from Mrs. Reilley, but I anticipate that she will accept the invitation. If so, we expect at least forty or fifty women from the state here at that time to meet you. In that event, we would probably want you to meet with these people in two conferences--one on Thursday afternoon and one on Friday morning--both the conferences dealing with the problems of National Defense. I hope that this arrangement will be satisfactory to you.

As I said, I have not heard from Mrs. Reilley, and cannot, therefore, speak definitely until I do hear. You may expect me to write you again positively about this matter within the next few days.

Much interest has been maifested in your coming, and all of us are looking forward to it with the greatest pleasure.

Very truly yours,

M. C. Jarman

Director of Summer School
