Allegheny Wins

GENEVA DEFEATED IN A FAST AND EXCITING GAME. SCORE 32-29.

Allegheny Has it All Her Own Way During First Half, But Has a Fierce Fight During the Second Half.

On Friday evening the much-looked-forward-to game with Geneva was played before an audience of almost 500 people. The game is now a thing of history and it certainly should take a prominent place in the record of our victories.

Considerable apprehension was felt as to what the outcome of the game would be. Our team was in poor physical condition, Lampe had but recovered from a very severe attack of muscular rheumatism and was by no means in his usual good physical condition. Williams was confined to his bed during the latter part of vacation and the first ten days of school, and was able to be out to practice but twice prior to the game on Friday evening. Taylor was confined to his room threatened with pneumonia, and the outlook for Friday's game was certainly not very promising.

The Geneva team was known to be playing fast ball, and her line-up was enough to insure a very fast article of basket ball, under any condition. All of the men on the Geneva team are well known here, and they are all known as men who play the game from start to finish, thus making them dangerous rivals at any stage of the game.

The conditions above stated being well known by the supporters of Allegheny, unusual interest was aroused, and long before the game was called the gymnasium was crowded by basket-ball enthusiasts.

In the preliminary practice the Geneva men showed remarkable skill in locating the basket, the work of Patterson and East being especially noticeable. Time and again the ball would be successfully caged from almost any section of the gym, in fact it was the best exhibition of work in this line ever seen in our gymnasium.

The most noticeable thing in Allegheny's preliminary work was the lightning-like passing. It was simply marvelous the way the ball was handled up and down the floor. While it was very evident that the Allegheny men were much lighter than their opponenpts, it was also evident that this handicap was more than overcome by the phenomenal speed exhibited.

At 8:30 the whistle blew and the game was on. For some time neither team scored, the ball being in Geneva's territory most of the time. Allegheny had numerous shots, but seemed to shoot in hard luck. After a foul had been called on each team Allen broke the hoodoo for Allegheny and landed a clever goal. Two more followed in rapid succession by Lampe, and Allen landed another. Lampe now landed a pretty one and the score stood Allegheny 12-Geneva 0. East now succeeded in landing one for Geneva, and a moment later Patterson added a point by goal from a foul. Williams now got one, Lampe added one more for Allegheny and Patterson one for Geneva. Lampe got another and Leach got one. Shortly before time was called Lampe got his fifth goal from the field, and at the end of the half the score stood Allegheny 24-Geneva 10.

Second Half.

During this half Geneva played a great uphill game. The poor physical condition of our men now began to tell on them and they were unable to keep up the fast pace they had set during the first half, yet never for a minute did they lay down, but fought desperately every minute of the half. During this half Allegheny got but two goals from field, one by Leffingwell and one by Allen, and two goals from foul by Lampe, making a total of 32 points. Geneva got five goals from field, two by Thompson, two by East and one by Patterson, and four goals from foul by Patterson, making a total of 29.

To say that the finish was exciting does not do the game justice. Seldom has a more enjoyable game been seen on the floor of our gymnasium. The work of the officials was eminently satisfactory. Though many fouls were called, not a single objection was made by either captain. Of the individual players it would be difficult to say who did the best work. Captain Lampe, while in poor physical condition, played his usual remarkable game, succeeding in landing five goals from the field and two from fouls. Williams played a fast game, and while he landed but one goal he succeeded in keeping his opponent from landing more than a single goal. Jackson played a steady game and seemed to be always in just the right place. He has certainly developed into a very cool and heady player. Too much cannot be said of the two new men. Allen not only threw three goals, but did very fast work in guarding his man. His passing is very fast and he promises to make a very fast man Leffingwell was much in evidence, seeming, in fact, to be everywhere. He succeeded in landing a difficult goal and passed very well. Both he and Allen played a remarkable game for their first game in fast company.

For Geneva Patterson played the best game, getting two goals from the field and throwing five goals from fouls. Thompson played his usual steady game, being especially strong in the finish. Leach put up a fast game at center and threw some very in the finish. East put up a fast game, succeeding in giving Williams the slip and landing a clever goal. Martin guarded his man very well and did some clever passing in the second half.

The game from every standpoint was one we may well be proud of. In winning such a game their is glory, but in losing it there is no disgrace. Captain Thompson expressed himself as being well satisfied with the game.

The action of the crowd throughout the game is to be commended.

The line-up is as follows:

Geneva.		Allegheny.
Thompson	forward	Williams
Patterson	forward	Allen
East	center	Lampe
Leach	guard	Leffingwell
Martin	guard	Jackson

Goals from field—Lampe, 5; Allen, 3; Williams, 1; Leffingwell, 1; East, 3; Patterson, 2; Thompson, 2; Leach, 1. Goals from foul—Lampe, 2; Patterson, 5. Officials—Little, of Pittsburg; Mayo, of Erie.

Day of Prayer.

MUCH THOUGHT HAS BEEN GIVEN TO THE DAY—UNUSUAL INTEREST IS MANIFEST.

To-morrow—Thursday—will be our annual day of prayer for colleges. Those who are planing for the services of the day are very anxious that this day of prayer shall mean much to the student body. It is hoped that on Thursday there will be a good attendance of students at the various services, and that the questions presented may receive the honest consideration of all who attend the services.

The day will begin with a sunrise prayer meeting at 6 o'clock. While it may mean quite an effort to attend a meeting so early in the morning, without doubt any who may attend will be amply repaid.

The regular sermon will be preached at 10:30 a. m. by the Rev. B. Canfield Jones, of Park Presbyterian church, Erie. Rev. Jones comes to us as an earnest, practical, Christian worker, and without doubt will have something to say that we can all take into our lives and be the better for having heard it.

Special music will be furnished at this service.

In the afternoon there will be a platform meeting, in which the various pastors of the city will take part. This meeting will undoubtedly prove most helpful.

All should consider it their duty to attend either the morning or afternoon meeting.

ATHLETIC ELECTION.

Unusual Interest Was Displayed In the Elections of Saturday, Jan. 25.

For over a week prior to the election on Saturday the different candidates and their friends hustled around getting the students to join the Athletic association. That they met with success is witnessed to by the fact that 199 persons had joined the Athletic association in time to vote on Saturday. It was felt that the contest would be a close one, and unusual interest was manifest. By 12:30 on Saturday every vote had been polled, and at 1:30 the election board announced the following results: For foot ball manager, Craig 86, Freeman 113; for assistant foot ball manager, Haas 99, Jones 100; for delegate at large, Scott 91, Jackson 108.

COLLEGE SING.

The question is being asked once more—"What has become of the college sing?"

It must not be dropped. Now, just at a time when college spirit is beginning to mean more to us than it has, we cannot afford to let drop the one thing which more than any other stimulates among us healthy, enthusiastic college spirit.

The great majority of students thoroughly enjoyed the sings of last term and are anxious to have them continued. A glance over our basket ball schedule for this term should convince us that we need to get in shape to do some enthusiastic rooting.

And what better form of rooting can we produce than the singing of college songs by the student body? When shall we have our first sing? Let is not be later than next Saturday.

THE GOSPEL TEAM.

The coming of the eight young men from Boston University is being looked forward to with much interest. The movement is somewhat of a departure in the line of evangelistic work, and the result of their efforts will be carefully watched. The movement is worthy of the hearty co-operation of all Christian students and everything possible should be done by those who are interested in the movement to prepare the way for their week of work. It is to be hoped that all who are not professing Christians will endeavor to attend as many meetings as possible.

As young men, fresh from one of our leading universities, they are sure to have some good things in store for us all.

Y. M. C. A.

During the last week the Young Women's and Young Men's Christian Associations have been holding joint meetings daily, under the auspices of their Religious Work committees. These services will continue until the Day of Prayer for Colleges, meeting each day from 1:30 to 1:50 in the chapel.

All who have attended have agreed in saying that these meeting are especially helpful.

We invite all Christian students to attend from now until Thursday.

The association meeting Saturday evening was of particular interest to all present.

Prof. Elliott led, and brought his message to us in a forceful, practical way. We can always count on a good attendance and lively interest when Prof. Elliott leads.

A business session was held after the 6:30 Saturday evening meeting. The following men were chosen to represent Allegheny at the Toronto convention which occurs the last of February: Gregg, Fornear, Mansell and Lyons. It is counted a great privilege to attend this large gathering. Men of prominence will be present from all parts of United States and Canada; some delegates may come from abroad.

Delegates were also elected to attend the District convention at Warren, Pa., Feb. 20-24. They are Clark and Pontius.

The annual Day of Prayer for Colleges is nearly here. Ours ought to be prayers of thanksgiving for our advancement and improved financial condition.

But could we not ask for more growth spiritually? Temporal prosperity often overshadows the soul life. This must not be and is not, as yet, true in our "Old Allegheny."

We urge our students not to look upon Thursday as a holiday and rejoice solely because we have no recitations.

Thursday is a day of prayer; may many prayers for Allegheny and her students be answered.

The Gospel team comes Feb. 26.

Will they feel at home with us? Who? The Gospel team.

The College Day of Prayer is immediately before us; it is a question if the day means to us all that it should. Many of us do not realize that the College Day of Prayer stands for the very best there is in life and in character. Whether we are professing Christians or not, if we are thoughtful men and women we will appreciate the sentiment expressed by the day of prayer. We do not all realize that a man is only at his best when his life is directly influenced by Christian principles. The persons who instituted the college day of prayer had this in mind, feeling that a man or womon only gets the most out of a college training when his or her life is lived in accordance with the teachings of the "Man of Sorrow," and only goes into the world best equipped for life's work when his or her life is well rounded by the influence of Christian living.

We beg of the student body to be thoughtful on next Thursday. Let us get away from all false notions of what the day of prayer is and face the important question as rational men and women.

The game on Friday evening was all we could wish a college game to be. There was a pleasing absence of ungentlemanly work on the part of both teams. Seldom have we seen a cleaner game played. The work of the officials was certainly of the very highest order.

The game as presented on Friday evening will certainly very highly recommend itself to the public, and undoubtedly will hold a higher place in the estimation of all true lovers of athletic sports if continued exhibitions similar to the Allegheny-Geneva game be given. The conduct of the crowd is to be highly recommended, while all were intensely interested, and the great majority was anxious to see Allegheny win, yet every worthy play made by the Geneva men was enthusiastically applauded.

It is certainly a pleasure to all lovers of basket ball to be able to see such a fast article of ball and yet with it all to see such clean work.

Geneva is to be congratulated that she is represented by such a basket ball team.

The game will certainly be an incentive to our boys to get to work and get in better physical condition. While it was impossible for our team to be in the best of condition on account of the illness of three of the regular men, nevertheless we feel that Friday's game will prove a lesson to them. A hard schedule is ahead of our team and we have plenty of fast material to put out the best team in our history. Now the watch word—to work.

Second tourist: "I guess it's the bad air. It hurts my head, too. Is that the Nile over there?"

First tourist: "Mercy, I suppose so. Isn't it dirty? It doesn't seem as if Cleopatra could have rode in her barge to meet Mark Antony down that horrid stream, does it?"

"No, it doesn't. But that was a long time ago, wasn't it?"

"I believe so. Iv'e seen the play, but I don't remember just when it was."

"See that crocodile basking in the sun!"

"Is he basking? Oh, Maud, that reminds me. How are you going to have your new basque trimmed?"

"Mercy! there's the Sphinx?"

"What's the Sphinx?"

"Why it's the thing that asks you riddles, you know. Dear me, I'm not sure whether that's the Sphinx, or one of the Pyramids. Just look at all those children! They must be going in swimming."

"No, dear, it's the effect of the mild climate.

"Look there! That must be the desert. But I can't see any caravans. Perhaps it isn't a desert. Maybe it's a mirage."

"What's a mirage, dear?"

"Oh, it's something they see in deserts. Everything is upside down, you know."

"Isn't that just awful. Oh, see that handsome native! What a picture? He must be a sheikh at least. What's he doing?"

"He's playing on the concertina and passing his hat."

"What a shame? My, isn't it nice to travel on a railroad where they don't have any smoke or cinders?"

"Yes, and do you notice what a balmy odor comes in the window?"

"Yes. Isn't it fragrant? So spicy. Can't you smell the cloves? Ah-a-a, I like to breathe it in."

"So do I. I'll ask the conductor what it is. There he is. Conductor, please?"

The conductor: "Well, ma'am?"

"Conductor, where does that spicy smell come from?"

"From the locomotive, ma'am. We use nothing but mummies for fuel on this line, ma'am."

A large loving cup, which represents the voluntary subscriptions of over a thousand students of Columbia University, was presented at the close of the foot ball season, to William R. Morley, captain of the 1901 eleven, to express the university's appreciation of Morley's services to Columbia degree in February, and will go immediately to his home in New Mexico. In addition to the cup, small gold foot balls were presented to the ten other members of the 'varsity eleven.

Stagg, coach of the University of Chicago athletes, believes that he has the coming long distance runner in Xenophon Kalamatiano. It the trial a few days ago, practically unpaced, he ran twenty-five laps of the track in 11:11 3-5. The record for the track is 10:49. Kalamatiano is a Russian by birth, and is a great student, carrying five courses in the university, and having a class in Russian.

Allegheny College Students Have Always Made the Most Money Working for the KEYSTONE VIEW COMPANY. One of their number cleared over $800.00 in four months last year. We have graduates and former students of Allegheny College with us who are at present clearing above all expenses from $150.00 to $250.00 per month. All cannot accomplish the same, but some are and many can do as well as those referred to. Will you be one of them?

We have recently added a fine line of views from China, Japan, Korea, the beautiful island of Ceylon, the Hawaiian Islands, Porto Rico, the Netherlands, Belgium, Sweden, Colorado and South Africa. Our views of the Paris Exposition and Boer War will continue to be good sellers, and our new set of views of Switzerland is acknowledged by all as being superior to anything they have seen. We have also added largely to our already fine collection of Childhood and comic views, as our views of Alaska, Palestine, Egypt, Mexico, United States and other parts of the world, continue to hold first place with the public.

Our motto is quality first and quantity afterwards, although we are in position to offer both. We have a large force of photographers, who have won numerous medals, working for us exclusively in new fields of interest, and will always be in position to offer you the LATEST and BEST. Students who value their time should consider our work before making other engagements for their mid-summer vacation.

WE LEAD—LET OTHERS FOLLOW.

We have the only all-finished and perfect 'scope.
We have the only perfectly finished original views.
We have the only views that give clear and perfect detail.
We have the only artistic Hand Painted views.
We have the only views which focus perfectly.
We have the only views on which are printed an historical sketch.
Our Library Sets are acknowledged to be superior to all others, and our salesmen are making phenomenal records in the sale of the same.
Our new Aluminum 'Scope is the best in its line.

SCHEDULE OF GAMES—PRACTICE FOR WESTMINSTER GAME BEGAN.

Allegheny's defeat of Geneva in the first game gives them a decided advantage in the league race for the pennant. Geneva has always been Allegheny's closest rival, and to start them on the season with a defeat is almost as great an advantage in the championship race as the victory itself.

However, the hardest part of the league schedule yet confronts Allegheny, for any team that defeats Westminster and Geneva on their home grounds has accomplished a rare feat. Westminster and Allegheny meet Monday, February 3, at New Wilmington. Their return game is played at Meadville on February 21, and the last game of the league series is played with Geneva at Beaver Falls on Marh 4.

Besides the league schedule, Manager Merrill has already arranged dates with Western Reserve, Hiram, Bucknell, German Y. M. C. A. of Buffalo, winners of the Pan-American championship. He is in correspondence with Duquesne and University of Pennsylvania, with a fair chance of getting at least one of them.

The schedule as it stands at present is as follows:

Feb. 3.—Westminster at New Wilmington.

Feb. 7.—W. R. U. at Meadville.

Feb. 14.—German Y. M. C. A. at Meadville.

Feb. 21.—Westminster at Meadville.

Feb. 28.—Bucknell at Meadville.

March 3.—Geneva at Beaver Falls.

March 14.—Hiram at Meadville.

No games were scheduled for the present week, owing to the special religious services that are being held.

Friday night's victory has done much to inspire the players and renew their energies for harder practice. Beginning with Tuesday special practice is being held for next Monday's contest at New Wilmington. The gymnasium of Westminster College is much smaller than Allegheny's gym., and in order to overcome the disadvantage of the small playing place, a temporary basket has been placed in the center of the gym., thus making the practice space the same as that in which the game will be played.

Taylor, who was suffering from a cold on the lungs, was at practice on Tuesday, and is almost entirely well. Lampe and Williams, the other cripples, are almost entirely well.

One fo the most pleasant features of last Friday's game was the work of the new men. Leffingwell, at guard, handled the ball in a clever manner and during the first half his opponent never came near scoring. In the second half, owing to a change of tactics, the play called him to the opposite end of the gym., where he shot a pretty goal. Allen, at forward, was a worthy substitute for Taylor. His play in the first half could not be improved upon; but the severe strain of a championship game told on him the second half and his goal throwing was not so good as in the first half.

PROGRESS ON NEW CHAPEL

Work is Being Steadily Pushed Forward—The Severe Weather is Not Allowed to Interfere With Work.

Work on the new chapel is being steadily pushed forward. The stone work is about completed; the plumbers have caught up with the carpenters, and the lath is almost all on. The plasterers begin work this week. Notwithstanding the very cold weather of the last few days, the building has been kept quite comfortable by the big heaters.

It is impossible to say when the building will be ready for occupation, but work will be steadily pushed forward, and the building completed at the earliest possible day.

GLEE CLUB

Doing Splendid Work Under the Directorship of Mr. Manville.

The Glee Club is working four hours per week under the directorship of Mr. Manville. An entirely new program is being prepared, which promises to be most entertaining.

Quite a number of candidates are out for this term, and Mr. Burton is very much pleased with some of the new voices.

The manager, Mr. Scott, announces that he contemplates quite an extensive trip during the Easter vacation, to include Butler, Marietta, Wheeling and Parkersburg.

Dr. Miner, a returned missionary from China, gave a very interesting series of lectures, last week, on China. The lectures were well illustrated by stereopticon views, which proved to unusually fine. The lectures were very instructive and interesting. Dr. Miner's long experience in China makes him a competent authority on all affairs relating to that strange empire of the East.

FIFTY-NINTH ANNIVERSARY OF THE BIRTH OF WILLIAM MCKINLEY.

Tuesday is the birthday of our late martyred President. The governor of Ohio has suggested that the day be observed by all the schools of the state as a memorial day. It seems that Allegheny College, the alma mater of William McKinley, should especially remember this day. A late, though fitting, suggestion has been offered to the Campus for the student body, to the effect that to-day we make a close survey of the martyred President's life, and in the future try to emulate his sterling qualities.

University of Penn. and Georgetown Accept Invitations to Row in Regatta at Annapolis.

Annapolis, Md., Jan. 24.—Naval Cadet Emery S. Land, manager of the Naval Academy crew, has received word both from the University of Pennsylvania and the Georgetown University accepting the offer to row in the early regatta on the Severn from about May 10 to 17. It is more than likely that Harvard will consent to come here, but there is some doubt as to whether Yale will be willing, as after her race last year with the middies they stated that the Southern trip was not beneficial to the condition of their men.

A race of this kind would be second only in importance to the inter-collegiate regatta at Poughkeepsie. Commander Colahan, commandmant of cadets, and the other authorities at the Naval Academy, are highly pleased at the prospect so far, and it is believed that after the new buildings are completed at the Naval Academy the Severn regatta will be the foremost in aquatic events in the United States.

Naval Cadet C. S. Kerrick, manager of the baseball team, has received a letter from the Harvard University stating that their team will conform to the wishes of the naval cadets in playing two games during their 10 days practice at the Naval Academy the coming spring. The games will be played here on the 15th and 17th of April.

Naval Cadet J. H. Blackburn, manager of the field and track team, has arranged with the field and track team of Lafayette to participate in the field day of sports at the academy to take place the coming spring. Negotiations with Universities of Lehigh and Pennsylvania State with the hope that one of these universities will also send a team.

ADDITIONAL LOCALS.

Fornear spent Sunday at Reno.

Stuntz and Hanks visited their parents at Guys Mills over Sunday.

The boys of Sigma Alpha Epsilon gave a sleighing party on Monday evening. They drove to Cambridge Springs in the afternoon, and had supper at the Rider.

The basket ball practice on Monday afternoon was quite fast, the subs showing great form against the first team men. The boys are getting down to solid work, being much encouraged by Friday's game.

Special services are held daily at chapel from 1:30 until 1:50 p. m. They are conducted under the auspices of the Y. M. C. A. and Y. W. C. A. The large attendance shows the interest that has been aroused by the approaching Day of Prayer.

Special services are being held in the State Street M. E. church. The meetings are being well attended by students. Continued interest is manifest in the meetings, and Rev Brown feels encouraged to continue them indefinitely. The students are cordially invited to attend. The evening service lasts but an hour and a half, beginning at 7:30.

We are smoking this week on Freeman, Jackson, Jones and Crawford.

Glee Club practice every Tuesday, Wednesday, Thursday and Friday evenings, at 5 o'clock, at Mr. Manville's studio.

The first two class periods begin 10 minutes later than heretofore. This is to enable the sleepy ones an additional 10 minutes' sleep.

Dr. Crawford, in prayer meeting, as Taylor and Smith enter the door: "Here comes the Lord's Prayer." And the modest Sigs blushed accordingly.

A number of the Hall girls are under punishment and a number of the boys (not the guilty ones) have a badly disarranged social schedule as the result.

Manager Merrill wishes to return thanks to the unknown friend who collected his basket ball signs. Just come up and confess, and hear what he has to say on the affair.

The committee on arrangements for the Wahsington's birthday dinner is hard at work arranging a program for the evening. A most delightful affair may be looked forward to.

Friday's game was the third time that three points separated winner in loser in the Geneva-Allegheny contests. A fourth game was played in which the winner took the game by four of a majority.

AMONG THE COLLEGES.

Harvard has an automobile club.

A Cornell alumni association has been organized in the Philippines.

There are 118 candidates for the cross country team at Harverd this year.

The annual Harvard-Princeton debate will be held at Cambridge March 8.

Minnesota is organizing a bowling league between the different fraternities.

Harvard will hold dual gymnastic meets with both Yale and Columbia this year.

The University of Wisconsin has increased from 481 students in 1879 to nearly 3,000 this year.

Dr. Carl S. Williams has been chosen head foot ball coach of the University of Pennsylvania.

John Hopkins University has a department of the Philippines to prepare men for service in the Philippines.

Turkey will be a secondary consideration in Detroit next Thanksgiving day when Michigan meets Minnesota on Bennett field.

Harvard, Pennsylvania, Yale or Princeton has never had a single fatal accident happen to any of her foot ball players.

The faculty of Illinois have voted to give their debaters credit to the extent of three hours a week for one term for work done while in the contest.

Undergraduates of Harvard University are attempting to arrange an international debate with Yale and Harvard on one side and Cambridge and Oxford on the other.—Ex.

Wisconsin is looking about for a coach to take the place of Phil King. Edwards, Reiter, Cochran and Kelly have all been seen in regard to the matter, but the first named seems to have the best chance for the place.

Yale won the 240 yard relay swimming race from Pennsylvania at the Sportsmen's show in Philadelphia. The team was composed of H. H. Loudensinger, 1905; M. S. Damon, 1904; R. H. Thomas, 1905 and F. A. Wenck, L. S.

At Cornell plans are now being considered for the formation of an inter-fraternity base ball league, to be governed somewhat like the present golf league. The games would be played in the spring, and the finals could be easily finished by the first of June.

The president of the Harvard Chess Club has forwarded to the presidents of the Oxford and Cambridge chess clubs of England, a challenge on behalf of the chess clubs of Yale, Harvard, Columbia and Princeton for the fourth annual international cable chess match.

The University Courier, of Washington, D. C., gives some excellent information regarding the American University. The proposition of Mr. Carnegie to give $10,000,000 for a university in Washington, will, if the terms are accepted by Congress, make Washington the greatest educational center in this country. The American University, the Roman Catholic University, and the Carnegie University will form a trio from whose halls will emanate an influence no one can estimate.
