Washington Report

By JOE FRIEDMAN

A visit to the Pentagon building several weeks ago highlighted the Washington Seminar program. The Pentagon is the world's largest secret building, about thirty-four acres. At one time near the end of the war, more than 32,000 people were engaged in the construction. It was begun in September of 1940 and it was completed on January 5, 1943. More than 64 million dollars were spent on the Pentagon and the construction cost was $3.5 million. Twelve thousand meals are served there every day. The food is so good that we were impressed by the huge cafeterias, the well-lit halls, and the thick red columns in the hallways. There is no way to satisfy anyone, much less new civilians, because it is natural enough easier. The only new people in the Pentagon were the ones working in the building. The building is amid its size and simplicity grand.

There is no doubt that the Pentagon is a true example of what it was hoped the country could be in its entirety. The walls are lined with maps and charts, and federal officers work there.

Washington freshman speaking contest was held at the University of Pennsylvania.

Block "A" Club Undergoes Reorganization

Revamped Program Hoped To Promote Greater School Spirit With Better Sportmanship

After several meetings during the past month, and under the guidance of H. P. Way, the Allegheny College Block "A" club has recently decided to become a functioning organization instead of merely the honorary society that it has been. Several interesting and meaningful discussions have been carried on at Block "A" meetings and have permuted a sense of interest and responsibility within the group.

For the first time in the history of Block "A" a constitution has been drawn up and ratified by its members. This constitution was modeled by the athletes themselves and possesses the merits of guiding the organization in step with the needs of Allegheny.

It is the sincere hope of Block "A" that their reorganization will have the way to better school spirit on the part of the athletes and the students, and will foster better sportsmanship toward visiting teams both on and off the field.

New officers who have been elected recently for the one-year term are: George Varbenet, president; Bill Tillotson, treasurer; and Tom Ballish, secretary. In a meeting conducted by Varbenet recently the following recommended aims of Block "A" were submitted:

1. To serve as an intermediary between student body, athletic committee and coaches.
2. To form a recruiting committee toward visiting teams and coaches.
3. To entertain the teams staying overnight.
4. To promote school athletic publications.
5. To promote Block "A" social functions.
6. To run the concession stand at Eleghart Field.

Varsity Netmen To Open Season Friday

The tennis team under the direction of H. P. Way, will oppo the squad of local netmen. Friday, April 28, is in the hopes of starting another winning season. The team has many difficulties to overcome, but the men of last year's varsity have proved by past experience that a good fair seasons can be gained. The third is the difficulty in finding the right doubles combinations.

Back to the line are varsity men: Jack Bynum, Harold Fleischer, Paul Ketcham, Ed Van Houten, and Virgil Minor. The varsity will probably consist of Jack Bynum, Harold Fleischer, Don Greer, George Van Har- tough, Jay Hill, Virginia Minor, Thomas Huston, and Stanley Szkow. The freshmen are also becoming a good record in tennis and are doing well in other sports. Don Greer, George Van Harough, Thomas Huston, and Larry Calley, have all shown promise.

The tennis schedule for this year consists of:

April 25, Tilt at Greensville
April 29, Slippery Rock at Meadville
May 2, Edinboro at Edinboro
May 5, Wooster at Wooster
May 7, Grove City at Grove City
May 12, Case Tech at Cleveland
May 14, Peking at Meadville
May 19, Geneva at Meadville
May 22, Grove City at Youngstown
May 25, Carnegie Tech at Pittsburgh.

Allegeny Baseball Team Drops Initial Tilt Of Season To Youngstown Penguins, 13 to 8

Taking advantage of a squadron of fat pitches and poor base running on the part of Allegheny, Youngstown College's last stepping nine batted their way to a 13-8 victory over Bob Urban's left-seas Gators on a soggy Ohio baseball diamond last Saturday.

Gator Thinclds Open At Geneva Saturday

One of the most promising track teams in the last twenty years at Allegheny will have a chance to show its mettle come this Saturday afternoon, April 29th against a Geneva College aggregation at Reaves Stadium in Beaver Falls. The meet will begin at 2:30 p.m.

The Conventor thinclds will have the advantage of conditioning over the Gators, having participated in two meets previous to this one. They lost to Westminster a week ago, 40%-66%, and placed second in a track-meet against Mt. Union and Penn last Saturday. Geneva's main strength lies in the distances, where Tom Steele is the threat, in the hurdles, with junior Ed Fugger top man, and in the broadjump, where Gene Kibler can leap over 22 feet.

Since this article was written before time trials, it is impossible to point out the Allegheny participants for this meet. The jockeys will be: Herb St. Mitchell, Bob Ponomory, Paul, Arnie Lewis, Chick McCran, Mike and Rosee.

The Gators training was receiving mixed reviews. Senior team had high the bases. Don Fayer came on to reliever the limits, but when the storm had blown, Youngstown was far ahead and led 1-2.

The Youngstown backfield remained in the seventh by the promising frost, prospect, and will begin in the eighth frame by Ed Benson, another freshman.

The Gator batting eyes were sharpened in the latter innings as Youngstown reliever, Andrich, who was belting for six runs. However the damage done was but a smatting of what could have happened, as the Allegheny nine was (diss) but for a total. The seven men on base when the final totals were counted, as most Allegheny members.

The managing editor and his assistants will try in the interim to develop an awareness of the importance of the "A" spirit, and to make it possible for the students to understand the value of its expression.

In a word, the "A" is not only a symbol of school pride but also a very important factor in fostering sportsmanship and school spirit within the university.

Friday night, April 21, at the Phi
Beta Sigma house. The house was filled by

FOUNDER'S DAY
(Continued from page 1)

The school, the pride of Meadville, Both the faculty and the fine have been
benefited by this mutual good-will and support.

Mr. Bates acknowledged the jeop-
dardies that the school and the city have been
sustained by Allegheny, "from the corn
politics of our early days and the
shrinkage of the peoples and tuition, and the shrinking resources of the
poor." He said that the school was a success and that it will last.

"If we of today think enough of the
individual and the corporation, if we
are devoted by the same spirit of concern for our children that Magna
College has forever.

Founder’s Day is celebrated each year at Allegheny, commemorating the
founding of the campus by Timothy Cooper and Allegheny.

Formal recognition of its first significance occurred in the
year 1908. This year’s observance
began with the annual student facul-
yielding of “Near the Vale.” A.C.U. President Jeff Warner has the portions of biblical script
