Mr. Richard A. Feiss,
Cleveland, O.

Dear Mr. Feiss:

I am ashamed that you should have had to write me about my account at the Taylor Society. I knew I was behind, but I have been away almost constantly for many weeks now and I wanted to look over my correspondence as I had an idea that I had another member to my credit. I have only just returned. I see the member did not go through, so I am sending today my check for \$41.25, to the Taylor Society.

I am really very sorry for I know it was not a pleasant duty for you to write me, but it was your duty - and you did it!

Missing the Philadelphia meeting was a real trial to me. I should have been there had I not been "on the road."

Remember me most kindly to Mrs. Feiss and to all my friends at the Clothcraft Shop.

Very sincerely yours,
