My dear Miss Tarbell,

I read your article in the last McCall's to Mrs. Blackman last night, with very particular pleasure - and approval.

You may like to see the enclosed article on a Hans Park for Florida. Do not take the time to acknowledge its receipt.

We hope to see you again - and for a longer time - next winter. We are leaving by auto in a few days for the Biennial of the General Federation in Atlantic City.

I am sending you under separate cover a copy of the latest issue of the Florida Bulletin.

Cordially Yours,  
W. F. Blackman
