Dear Miss Tarbell:

You remember you told me down in Washington that you would write something for us. How would you like to do something easy like a character sketch of Mrs. George Bass, Chairman of the Woman's Division of the Democratic National Committee? We have a sketch of Miss Hay of the Republican National Committee and would like to run them together.

If you will do this for us, I will ask you to do something then really worthy of your ability.

With best regards,

Sincerely yours,

M: c
