The Columbia Conserve Company
Indianapolis, Indiana

Dear Miss Holt:

Your letter of December 15th has just reached Miss Tarbell's desk. She is out of the city at present, not expected back until the first of the year. I know if she were here she would want me to thank you for your letter. However, upon her return I shall be glad to call her attention to your letter and also the two pamphlets you say you are making.

~~Yours very truly~~

Secretary to Miss Tarbell
