

March 19, 1932

Dear Mr. Burton:

Would you give me until the Tenth
of April on that first article for the *Cosmopolitan*?

I have been having a slight attack of
influenza and it has left me rather seedy - not quite
fir for work.

Of course I may be able to get it to
you a little before the Tenth.

Very sincerely

Mr. Harry Payne Burton
8th Ave & 57th Street
New York City
