

Lat - June 23

Dear Miss Tarbell -

We signed the paper
last night. We pay
\$76 ^{over} instead of \$90 ^{over} for the
title but we give Colver
3% ^{commission} for the \$1,000 you had to
sell - so we get the money
out \$1100 cheaper than
at first. This is because
of dropping off in circulation.
The Phillips has gone
to Duxbury - went yesterday
evening - Mac, Steg & I signed
the papers you heard of

know that we got \$6000
from Colby and \$1000 from Ross
Benson when what you can
ready by the 1st - I mean of
your own.

I shall go right on with
the money & I will next week
& shall not try to get away.
I'll fight right at it now - there's
a tremendous lot to be done.

I'll remember me when I think
of it but I shall be glad to hear of it.

Everybody feel good - we
got a bargain I think. Use
of it did well.

Am anxious to hear from
you - Be careful in this hot
weather - C. B. Bent
