My dear Miss Tarbell:

I appreciate your kind letter of the 25th.

Several of our managers and superintendents to whom copies of your excellent book were sent have written most enthusiastically regarding it, and I am sure it will prove helpful to us.

Your gracious comment upon the post cards is most appreciated, and we would be very glad indeed to have you visit us and see these mill communities. Mrs. Callaway and I will be pleased to have you as our guest.

Incidentally I think you would enjoy seeing a beautiful old Southern garden which we were so fortunate as to acquire a few years ago as the setting for our home. This old garden was started about seventy-five years ago, and includes among its treasures a great many rare and beautiful trees as well as an abundance of very fine boxwood in hedges and designs.

By all means visit us whenever it may be convenient to you. We will be glad to have you and I think you will enjoy it.

Yours truly,

Miss Ida M. Tarbell,
132 East Nineteenth Street,
New York City.
