

Theudson,
Washington Square South,
New York City, Friday

My dear Miss Tarbell:

Many thanks for
this expression of
praise. You know,
of course, without
my telling you, that
it delights me to
think that you believe
your sympathy with
my early work to

I have been just-
fied. Really, I can't
tell you how much.

I hope that you
are not unwell —
that your stay at
Clifton Springs is
merely passing.

Believe me

Very sincerely yours,
Norman Duncan
