Mr. F. B. Sinclair
Editor, Drugs Market Magazine
101 West 31st Street
New York City

Dear Mr. Sinclair:

Miss Tarbell has asked me to write you in regard to data that she is anxious to secure. She understands from Mr. Francis Goodell of the Taylor Society that you are familiar with what she thinks is called the Green Bottle merger. Has your Drug magazine published anything in regard to this merger?

Miss Tarbell is out of town at present and will return in about ten days. She would appreciate it if you would so arrange it that she might have an appointment with ~~MSM~~ after she returns.

Yours very truly

Secretary to Miss Tarbell
