My dear Miss Tarbell

Many thanks for your letter of November 6th. Unfortunately, we haven't much material, but if you could let me know more specifically the type of material you would need for a magazine article, I shall be pleased to do whatever I can to obtain the information needed. I am in communication with Mrs. Edward Bellamy and also have the address of Mr. Paul Bellamy (son), besides knowing the whereabouts of several other people who knew Bellamy personally. I have just written a pamphlet which may contain some information you may require.

I would be very happy to talk to you about this material at any time that meets with your convenience, but if you will give me more specific information, as requested above, I may be able to get it together for you when I see you.

I look forward to the pleasure of meeting you, and thanking you for your interest, I remain

Most sincerely yours,

George A. Kahn
