

December 17, 1915.

My dear Mr. Shearer:-

I have your note of December 16th asking me if I can take part in the discussion of The Papers of Business Houses in Historical Work, at the Conference of Historical Societies on December 29th at 10 O'clock. So far as I know there is no reason why I should not be at the Conference and will be glad if I can contribute anything. The only thing that would stand in the way is a paper which I have promised to read at the Pan American Congress and so far, no date has been given me. If that should happen to come on the morning of the 29th, I will not be able to be present at your Conference; otherwise you can count on me.

Very truly yours,

Mr. Augustus H. Shearer,
