Dear Miss Tarbell:

I have read "I'll Go the Reaper" afresh and I certainly would consider it for the second prize. I still think, however, that "The Trawler" is more universal, if that word conveys the idea. "I'll Go the Reaper" after all is an episode, and just a charming photograph of life.

By all means you may have "A Scandalous Tale;" also any of the others that I finally decide are not for Collier's. The machinery of dealing with the author about it can be arranged through Miss Roseboro'.

Cordially yours,

*Mark Sullivan*
