Dear Mr. Graeve:

Very well I will arrange to go down to Baltimore Saturday morning, November 28th and count on the appointment with Governor Ritchie for Sunday, November 29th. Then Monday I can see anyone that Mr. Moore and Mr. Cullen think advisable. I shall have to come back Monday evening, that is, I should be here by Seven o'clock. Will this be satisfactory?

We can arrange the trains at this end but do tell me the name of the best Hotel, so I can make reservations.

Very sincerely

Mr. Oscar Graeve
