Mr. S. A. Bridges,
Alkehest Lyceum System,
1221 Wynne-Claughton Bldg.,
Atlanta, Ga.

My dear Mr. Bridges:

I am sorry about Monteville and the 19th, but it is quite out of the question for me to get there for that date. I could have left on Sunday, the 20th and reached there for the evening of the 21st, but since they are unwilling to accept that date I shall leave here on Monday the 21st, reaching Birmingham at 2:40 Tuesday afternoon. I must return immediately North.

Sorry you have had so much trouble about this.

Sincerely,

W. S. H.
