Miss Jane Hamilton Rhodes
Democratic National Committee
1775 Broadway, New York City

My dear Miss Rhodes:

I have just received a letter from a Republican friend of mine who is sailing unexpectedly for London, asking if I can make arrangements to register her as a Democratic voter. I think this is important. She belongs in a group of women where her decision to give her vote to Smith will count. Will you please tell me exactly what I should do?

And here is another thing. I have this morning a charming letter from a Priest in Pennsylvania. He seems to be working hard in his parish but not to have any great amount of material. Could you send to him buttons for his boys? He says they are crazy for them. A few posters and possibly pamphlets. I should be greatly obliged. Here is the address:

Rev. C. F. Orlemanski
Lucernemines, Pa.

Sincerely
