My Dear Miss Tarbell

Nov 15/37

I am aware of the approach
of your birthday which I know
occurs on Friday 5th
Near By and am sending you
congratulations & hope you
will have a very happy birthday
and so you have arrived full
of years and honest a ripe age
I was glad to see in the N.Y. Times

of Sunday your confidence in
the bible as a guide "to us part"
human beings

The positive religious influence
of a person like yourself for
a definite religious life is a great
argument for the religion of
the fathers and mothers

I wish for you many years of health
and usefulness. Mrs Bryan joins
me in all good wishes

Yours faithfully,
S Bryan
