Dear Miss Tarbell:

I wired the committee at Montevallo, Ala. upon receipt of your wire yesterday that you found you could not be with them on March 19th and I am just in receipt of the following reply:

CANNOT TAKE TARBELL ANY OTHER DATE EITHER THE NINETEENTH OR NOT AT ALL WILL TAKE DANIELS ON THE SAME NIGHT AS ALTERNATIVE WRITING

I wired Hon. Josephus Daniels to know if he could go there and fill this date on March 19th but am just in receipt of a wire from him stating that it would be impossible for him to do so.

If anything turns up whereby you find it will be possible for you to get away in time to fill this date at Montevallo on the 19th, I certainly would appreciate your doing so. In that case you can wire Prof. C. B. Richmond, Alabama College, Montevallo, Ala, direct. I think if he could hear from you by next Saturday or Monday he could still arrange for you to speak since it is simply a college date.

Very sincerely yours,
