

PRESIDENT'S OFFICE

BRYN MAWR COLLEGE  
BRYN MAWR,  
PENNA.

April 24, 1912.

Dear Miss Tarbell,

It gives me great pleasure to send you the only really good photograph of Carola Woerishoffer. As it is the only copy I have and as I wish to have it enlarged for the College I hope very much that it will not be damaged but if it is I can of course get another.

I am also sending you two of my addresses in case they may contain any facts you are not familiar with and a copy of the resolutions passed by our Board of Directors and Faculty. As I have only one other copy of each of these may I ask you to return them. The reprint of the editorial which appeared in the "American Friend" you need not return.

I am still hoping that there will be an opportunity for you to pay your promised visit to Bryn Mawr if not this spring at least next autumn. I have read with great interest and, with certain reservations, with much approval your articles on the "uneasy woman" and it seems to me that most of my fellow suffragists have mistaken <sup>the meaning of</sup> these articles.

With kind regards,

Very sincerely yours,

*M. Carey Thomas*

Miss Ida M. Tarbell.
