Dear Mrs. Brookfield:

Some little time ago you wrote me in regard to the difficulty you were having in holding your property in Texas. I did not myself know to whom to refer you so asked the advice of Mrs. Roosevelt. She promptly referred your letter to Mr. W. I. Myers the Governor of the Farm Credit Administration. Mr. Myers tells me that you should discuss your situation with the secretary-treasurer of the nearest production credit association which probably is the Midland Production Credit Association, Midland, Texas. Mr. Hugh C. Barnes is secretary-treasurer. Mr. Myers thinks they may be able to help you.

Trusting you can work your difficulty out successfully, believe me

Very truly yours

Mrs. Victor Brookfield,
Mentone, Texas
