Dear Miss Tarbell:

We hear from Mrs. Boyle that you would like to have photographs and information about Gandy bridge.

We are sending you pictures of the bridge and a booklet and are also sending you some Gasparilla pictures thinking you might have a use for them.

If it is convenient for you to return the Gandy Bridge booklet when you have finished with it we would like to have it as it is our last copy and there are no more available.

Assuring you of our desire to be of any possible service and thanking you for your attention to this section of Florida, we are

Yours very truly,
