New York, N. Y.

My dear Miss Tarbell:

I thank you for your letter of the 24th and hope you may thru your multitude of lines of information be able to unearth the name of that committee for if we can get the names of the committee, then we will be able, I am sure, to get the correct name of the man I wish to know about. A friend of mine suggests some history of Illinois, but I have forgotten what that was. I hope to find a little time and look it up.

I am delighted to see by yesterday's paper that you are to be in Syracuse next month, and I am sure that I can arrange to see you if you have a little time. I should like very much to have a visit with you. Perhaps it may be so arranged that Mrs. Cooper and I may have the pleasure of showing you the city and surroundings. Thanking you again for the courtesy of your letter, notwithstanding you have been so busy, I beg to remain

Sincerely yours,

D. B. Cooper
