

Boca Grande, Florida,

April 3, 1919.

My dear Miss Tarbell,

I am very anxious to get hold of a copy of your History of the Standard Oil Company. Much to my surprise, I am told by my bookseller in Boston that the book is out of print, and he is at present trying to get me a copy, though so far without success. If you happen to know where I could purchase a copy I should be greatly obliged for the information. My address will be as above until April 11th, and after that at Windsor, Vermont. I hope you will forgive me for troubling you.

Sincerely yours,

*Wanda Churchill*

Miss Ida M. Tarbell.
