Mr. George F. Sheffield,  
The Dominion Chautauquas,  
Calgary, Alberta.

My dear Mr. Sheffield:

I have just received from you  
blanks for income tax in Canada! It is true, of course, that I  
did some work for your Bureau in Canada in 1920, but how can it  
be that I should be asked to pay a tax in Canada when I am an  
American citizen? (

I don't understand this, unless that, in accepting  
your engagement, my contract bound me to pay an income tax. Is  
this true?

Very truly yours,

*I paid tax on the income (money  
rec'd from you) on the credit*
