Dear Mr. Graeve:

I am glad you think from the outline that I can make a satisfactory article. I will do my best.

I think the wisest way for me to avoid duplicating anything that you have had in your Department of Child Training, will be to look over the file of the magazine for the last year. I will do that before I begin writing.

Faithfully yours,

Mr. Oscar Graeve,
Delineator,
Butterick Bldg.
New York City.
