Miss Ida M. Tarbell,

New York City.

Dear Miss Tarbell:

I omitted to say in my other letter of this date that the Carded Woolen Manufacturers Association is having all of our tariff statements, of which we have reprints, bound and distributed to the leading reference libraries of the country. There are 101 sets of this collection in preparation, our idea being to place the material in permanent custody where it will be accessible to serious students of the tariff.

It will be sent only to those libraries which agree not to allow it to be circulated.

Yours very truly,

Sam^r S. Dale
