

November 24, 1931

Dear Mr. Burton:

Here is your article on time I think.
I didn't believe I could do it.

It is about three thousand words long
which your Secretary told me would not be too much.
I hope it is satisfactory.

I shall be away for the Thanksgiving
holiday - back again November 30th, so that if you
want to consult me you can get me by phone.

Very sincerely

Mr. Harry Payne Burton
