

July 1, 1930

Dear Mr. Graeves

I have revised the Prohibition
piece. I hope it comes near enough to Mr.
Moore's ideas to be satisfactory. I shall
be grateful if you will let me know as early
as possible - I should like to go out of town
tomorrow for a few days and want to clean
up everything before I go if I can.

Very sincerely yours

Mr. Oscar Graevs,
Butterick Building
New York City
