My dear Min Tarbell:-

I began this
note to tell you I did
not believe I could
accept your alluring
invitation for Wednes-
day -- but before I
had your name written
I began to feel that I
could not give it up!
So I have decided
to arrange it, in
spite of the fact that
I have a fixed on-

engagement for Wednesday
noon - & that I must
go to N.Y. again Thursday
for the first performance
of the "Ring" - & that I
am taking ^{my} ~~father~~
restover Friday for
the night. - You see
I ought not to go to
Wm. but I will try
to be there.

Thanks you very
much. Very Sincerely
Francis F. Cleveland.
