

West Park W.V.,
April 25,

Dear Aaa Parbelle,

I regret you
could not come one of the
fine days of this week. I
have planned to be away
the first half of next week to
visit at my old home,
some cousins whom I have
never seen, I go on Saturday
& return Wednesday, or any
day after that will suit
me, except Sunday, the 5th

Always sincerely yours
John Burroughs
