Professor Dixon R. Fox,  
Short Beach, Conn.

My dear Professor Fox:

I have your note of September 4  
saying that you are to be in New York next Monday, the 8th,  
and that you will call me up.

I have an engagement for the forenoon of Monday,  
but could see you after three o'clock in the afternoon if that  
would be satisfactory to you. If I do not hear from you by  
telephone - Stuyvesant 6674 - before I go out Monday morning,  
I will leave word with the maid.

Hoping to see you on Monday,

Very sincerely yours,
