West Park N.Y.

Dear Aida Tarbell,

I am glad
there is a prospect of seeing
at Slabides. You will not
find me as robust as
usual, as I am not yet
entirely recovered from
quite a serious illness,
but you will find a
warm welcome for yourself
& friends. Come any time
next week that suits you,
letting me know a day in
advance. I am not yet estab-
lished at Slabides, but hope
to be soon.

Always Sincerely Yours,

John Burroughs
