My dear Miss Tarbell,

I have just succeeded in  
putting hand on those absurd verses  
which Dr. Friedenwald and I tried to  
repress from our memories for you  
at Ann Arbor, and I take hearty  
pleasure in sending you the promised  
copy.

Don't forget about that plan  
of coming up to Ithaca for next  
Summer.

Cordially yours,  
George L. Burr.
