Dear Miss Tarbell

I should like so much to have the opportunity to lay my sister's work before you in the hope that you might possibly be interested to write about it. It has at the moment a distinct news value from the international side of it and I wonder if I might see you soon?

My sister has just returned from Belgium on a mission indicated on the enclosed card, and is this week participating in the National Recreation Congress at Atlantic City but she will be back by the end of this week.

How much we should like to know you and hope it may be possible.

With Greetings to you and good wishes

Most sincerely yours

Ruth Burchenal
