250 West 37th Street
New York City, N. Y.

Dear Miss Tarbell:

I was very sorry I did not get an opportunity to see you at the time you were in Florida collecting material for your articles which have begun to appear in McCall's Magazine.

My mother, who you will recall as Ida Dann of Titusville, Pennsylvania, understood that you were coming to St. Petersburg and would probably look up either her or myself.

I read your first article with a great deal of interest and feel that you have truthfully sensed the fullness of Florida's permanent development in many ways.

I am taking the liberty of sending you copies of a few addresses which I have made regarding conditions in Florida. It occurred to me that if you have not completed your series of articles, there might be some facts in these addresses of which you might make use.

I sincerely trust I may have the pleasure of seeing you the next time you visit this state.

Very truly yours,

President
