Dear Miss Tarbell:

Please accept our most sincere thanks for your excellent article in the New York Times. Such an interpretation as yours just at this time is of the utmost value and we do want you to know how much we appreciate it.

We should be delighted if you could be at Chautauqua sometime during our 60th Anniversary season which culminates in our Old First Night on Tuesday, August 7. Will your summer plans permit you to come to us at that time?

With sincere thanks and best wishes, I am

Cordially yours,

President
