Dear Miss Tarbell,

Will you excuse me for taking you time again in the matter of Anti-Suffrage. But we are very anxious to get a Branch in Wadding, where your country place is. If you could not do anything yourself about it could you give me names of influential people there to whom I could write - those of course who are "opposed". Do you know if Mrs. Mary Sanford is "opposed"? Of course he would be glad of your help. But I am only meeting a short note - not to take your time. Thanking you in

Advance, Sir,
Sincerely yours,
Mrs. W. B. Helen H. Stone
