Miss J. L. Tarbell
Department of Commerce
Washington D. C.

Dear Miss Tarbell
received yours of Sept 28th
in reference to the the the
shift jobs instead of two
shift jobs as a ^{temporary} relief.
I note you say the
matter has been taken
up by the proper Committee.
here with I am going to
give a little more information
along some lines for your
Committee: for all data and
information you may wish
to see H. C. Sanderson,

521 Scotland Ave Topeka
 Kan: Concerning the W of
 the St. L. S. ~~W~~ on March
 the 10th 1921 four months
 before the National agreement
 run out changed 2 1/2 min
 at Waco stops from 8
 to 11 and 12 hours
 and cut the run on
 an average of 2 1/2 to 30
 Cents per hour. The Federal
 Labor Board only granted
 the 194 R.R. of the United
 States a 12 per cent cut
 on July 1 1921. Rule an
 article 32 is being violated
 more by the St. L. S. W. R.R.
 than any R.R. of 194

if this matter can
 be adjusted between Mac
 and Pine Bluff Ark they
 all of and, down the
 line will be rid of
 idleness, if your committee
 desires to take this matter
 up with Mac first they
 can ~~communicate~~ write me
 J. J. Peasley, Supt. Mobile
 Power, 90 St. L & N.
 R.R. Co. Tyler Texas.
 Great relief also can
 be obtained for unemployment
 if all incorporated industries
 was force to the eight hour
 shifts, ice plant, Laundry
 plants and places

#

When boiler room men
are working 12 hours
can be adjusted so two
men give room for
one more. There are lots
of ways to relieve unemployment
but the heat off all them
sex is to give a 8
hour day or in force
the eight hour plan.

Yours Truly
Paul Hayes
620 South 9.
