Dear Mr. Chases

I am deeply humiliated
by my failure to keep my promise to you
to talk to your girls at Hunters College
today. I could not have done it.
It looks as if I was in for a rather
long period of inactivity.

Nothing serious - just
been going a little too fast.

The one thing that cheers
me in the matter is your consideration.
It is good to know that there is such
kindness abroad in this cruel world.

Faithfully yours
