Dear Miss Tarbell,

I am studying your book entitled, "An Interpretation of the Holy Scriptures." I am up to the 3rd chapter entitled, "The Youth of Thomas Lincoln." I have carefully followed your thoughts and opinions in regard to the probable burial place of Abraham Lincoln, the grandfather of the 16th President of the United States. I think your ideas on this matter are sensible, logical, and reasonable. I also perceive that you have the ability to solve great mysteries. Especially, I feel greatly interested in the Lincoln family, especially Abraham Lincoln, our 16th President of the United States. I see that our Heavenly Father Jehovah God raised Abraham Lincoln up to be a type unto us, a Token of the great work that our Saviour Jesus Christ started on earth, in the past amongst Humanity, and will in the near future, finish by returning to the earth again.

I am an ordained Prophet of God. Ordained by God.

An Interpretation of the Holy Scriptures. I was born on Thanksgiving Day - November 24, 1892, the last Thursday in November in the day and date set aside yearly as the Time to celebrate Thanksgiving in our country. This date was first established by President Lincoln. The Bible Proof that I am a Prophet of God, amongst my fellowmen.

Reads like this: Isaiah 56:4 - "And in this mountain shall the Lord make unto all people a feast of fat things, a feast of wines on the lees, of fat things full of marrow, of wines on the lees well refined."

The Holy Spirit of Christ will descend from Heaven onto His Nation, the establishment of the Old and the restoration of the Old Church, all together will move from
Bethlehem to Jerusalem; in order to make this City (the new Jerusalem) the new Capital of the World; and new Kingdom of Father, and His Son, our Saviour Jesus Christ, on Earth. 

I could tell you much more about the future plans of God, as He has revealed them to me from my daily study of the Holy Bible. But as this is such a profound subject, it is impossible for me to explain in writing. So if you are interested, which I think you are, I would gladly make an appointment with you for a personally interview. But before closing I will give you a vivid outline of the many wonderful experiences that have come already to my young life.

As far back as I can remember I have been an independent Bible Student. About the year 1925 I directed the birth place of Abraham Lincoln up home and tomb in Springfield Ill., and also the place of his death in Washington, S.C.

In the year 1929 directed the Holy Lands of Palestine, c. walked in the footsteps of our Saviour Jesus Christ from Bethlen to Nazareth, Jerusalem, and from Jerusalem to the place of the Crucifixion, Bethshan. While at Beth Shan, the Holy Spirit of God revealed the exact place of Jesus Burial, at the true tomb of Joseph of Arimathaea. It made this great discovery on July 13, 1929. Ever since, I have been trying to get permission to open this most sacred tomb, from the Palestine, United State and British Government. I feel that all the sacredness Physical Body of Jesus then the world will believe, and fast on the right Road to Life, Peace, and Happiness, here on Earth.

All nations will start to move towards Bethshan, Palestine in the year 1934 (next year). The leaders of this great movement for the Liberty of Humanity will be under the Holy Spirit of Christ, the Spirit of Washington, Lincoln, and Physical as well as Spiritual Life of Jesus himself in the plural form (3200) in chapter 25:6.

I close. Remaining Respectfully yours,

Thomas A. Bee,
