

334 EAST WALNUT STREET
TITUSVILLE, PENNSYLVANIA

Dear Ida, ,

Mr. Edward Smith

1513 Wyandotte Ave.

Lakewood

Ohio.

Is the address which ought to take any communication to Ed Smith. I know he would be happy to hear anything from one he admires as he does you and, in addition, he has a great deal of sentiment about everything connected with his early days in Titusville. You remember I lived at the Smiths for several years and I recollect well how friendly and intimate were the relations between your mother and Mrs. Smith who, like your own dear mother, was an unusually lovely woman.

I have not seen Iris since her return but I have talked with her over the telephone and have learned from her as well as from your own letter that you are better and quite yourself again for which I am very glad. I think it was very wonderful for you to have done what you did at the college last spring but so are lots of other things you have done.

are You have been very much in my mind and there are so many things I want to say I don't know where

to begin and you will understand why I am not trying even to make a beginning this morning when I tell you that Lucy and I are leaving today for Manhattan, Kansas for a visit with Samuel and are engaged in the last wild efforts to think of all the things to be attended to in closing the house for a month.

But I did want to answer your question and some day soon I hope to give myself the pleasure of writing you a letter and saying a few, at least, of the things I would like to say.

In the meantime, Lucy joins me in love and remembrance to the other members of your family and for your own dear self.
