

in my home town - Meadville, Pennsylvania,
of course I was interested when I heard
your name mentioned. As a child - years
ago I used to look at you - when I met you
on the street - and think you must be
a most wonderful woman - to work
on a real magazine - I still think you
are a remarkable woman - and enjoy
reading about you -

I was Edna M. M. Dermott who lived
on Randolph Street - Now I live on a ranch
of 165 acres - about 10 miles East of Portland -
Oregon. We specialize on the raising of differ-
ents, (King Alfreds mostly) and have a large herd
of pure bred Holstein cows - If you ever come
West - I would be very happy to see you - We
live on the Columbia Highway. Hoping I may again
have the pleasure of hearing your name -
Your admirer from childhood -
Edna M. Hall.
