PASSEGGIO DELLA LIZZA, 5

October 9 1926

Dear Miss Carbell. I received your kind letter yesterday & want immediately to ask about the collection of pectorals. The lady is willing to give the collection for 9000 lire but would not pay for the packing & express. In any way I wrote to the agency in Florence to ask all the information you need & how much the packing & freight would be. Will let you know immediately the answer. The lady will securely send the guarantee of genuineness of the pieces with the invoice. She is a lady of the aristocracy of Courin & the pieces have been in the family for hundreds of years. value of the pieces

are of 16th century some 18th century
I wish I could write to you in
Italian to tell you in better way
how delighted we were to meet
you & what good remembrance
we have of your staying in our house.
I am sorry to say that Mrs. Anderson
White is not so well now, so that
the plan about sending Hilda to
America, is very uncertain. My
daughter is very disappointed.

I hope I shall we will have
the pleasure of seeing you before
long. We speak of you very often.
My younger daughter & my
son are now printing colored
papers for book covers, portfolios
& etc. I wish I could show
you their work. I all done

very artistic
by hands. They engrave ~~they~~ ^{they} on
woods & print ~~them~~ after inventing
the design. My husband
wishes to be remembered most
kindly. Excuse my very bad
english

Kind regards from
