Dear Rutgers:

I am leaving town today, not to be back before the twenty-first I think. I am very sorry I shall miss Mr. Maurois, though possibly I will be here when he returns from his trip.

Mrs. Carter will take care of him down town and a letter from you quoting what Miss Addams wrote to me - I had it copied into my last letter to you - will secure whatever he wants at Hull House.

If you and he should think it desirable to see the General Electric at Schenecady, it will be arranged by Everitt Case, Owen Young's assistant of the General Electric. You can get him at 120 Broadway.

If Mr. Maurois would like to see a country community with a model school functioning Mr. Case will be glad to arrange for him to go to Van Hornesville. He said he would be only too glad to take care of this, if you would telephone him in case I was not here. If he is not in his office ask for Mr. Riddall - he will know of this.

I am awfully sorry not to be on deck, and hope that Maurois will get something out of these contacts.

faithfully

Mr. Rutgers Jewett
