Miss Ida M. Tarbell,
120 East 19th St.,
New York, N. Y.

Dear Miss Tarbell,

Mr. Alexander Grosset has sent us your letter of January 18th, as we are the publishers of Edward Bellamy's *LOOKING BACKWARD*. Naturally, Grosset & Dunlap have only the records of what they have used in their Reprint Edition, so they would have no way of giving you the whole story.

The total sales of *LOOKING BACKWARD* are just a little short of 500,000 copies, but there is still a continuing interest in the book as we reprint it regularly.

If there is any other information you may need please have no hesitation to write us.

Cordially yours,

HOUGHTON MIFFLIN COMPANY
